Tree Pickup Do's & Don'ts

Do:

- Remove lights, ornaments, tinsel, and trimmings from branches before placing at curbside.
- Leave trees at curbside on the same day as your regular garbage collection day during your city's tree collection week.
- Cut in half all trees that are 8 feet or over in height.

Don't:

- Flocked trees can be collected curbside for a fee or be included in your once-a-year on-call garbage cleanup, but must be scheduled in advance. Call (925) 685-4711. If cut to fit inside with the lid closed, flocked trees may be placed in your landfill cart.
- Do not leave stands (whether plastic, metal, or wood) on the tree. Trees with these items still attached cannot be picked up.
- Do not leave lights, ornaments, tinsel, or other trimmings on the tree.

Leave trees at curbside
on the same day as
your regular garbage
collection day.

Collected trees will
be composted.
