

Apartment and Condominium Recycling

To make recycling easier for you, RecycleSmart and Republic Services are making handy reusable recycling totes available to apartment and condominium residents at no cost. Contact your property manager for more information or Republic Services at (925) 685-4711.

Food Scrap Recycling

Food scrap collection is available to any apartment or condominium complex that has a green organics collection cart. Convenient collection pails are available for residents at no cost. Contact your property manager for more information or Republic Services at (925) 685-4711.

Special Recycling Programs

Medical injection devices (sharps) require special handling and disposal. RecycleSmart and Republic Services have teamed up to make proper disposal of these items more convenient. For disposal instructions and drop-off locations, visit: recyclesmart.org/HHW.

Don't toss your old or unused medications in the toilet or trash. Instead, place your prescription and over-the-counter medicines into a sealed plastic bag and take them to your local police or sheriff's station. RecycleSmart is partnering with Central Contra Costa Sanitary District to provide convenient drop-off locations. Visit: recyclesmart.org/HHW.

Household Hazardous Waste

Got paint, pesticides, or other toxic products to get rid of? You can take them to the Central Contra Costa Sanitary District's Household Hazardous Waste Recycling Facility at 4797 Imhoff Place in Martinez. For more information go to: centralsan.org or call (800) 646-1431.

Common household batteries contain materials that can be harmful to the environment. RecycleSmart is partnering with Mt. Diablo Recycling to provide convenient recycling locations.

Visit: recyclesmart.org/HHW for a list of participating retailers in your area.

Do you know?

New California laws (AB 341 and AB 1826) require most apartment and condo complexes to have a recycling program for both common household recyclables and organics (e.g. yard trimmings). To help you comply, Republic Services offers easy to use, recycling and organics services for your complex at no additional cost to you (as part of your garbage service fee).

New Services

- Recycling tote bags for indoor storage and transport to collection containers for tenants
- On-call e-waste collection
- Motor oil recycling kits that include oil and oil filter containers
- In home food scrap pails for easy transport to collection containers

Educational Services

- No-cost waste assessments to determine your ideal recycling, organics and trash service levels
- Educational materials for tenants and common areas
- Workshops and training sessions for managers and/or tenants
- Move-in kits to educate new tenants about recycling programs

For more information about these services, contact Republic Services at (925) 685-4711.
