

# Final Closure Notice

**CVT Recycling**, located at 1071 N. Blue Gum Street, Anaheim, California officially ceased to operate effective February 15, 2016.  
(Public buy-back center only)

Residents are encouraged to participate in the City's recycling program by placing materials that have been deemed acceptable in their recycle cart(s). Republic will continue to collect and deliver recyclable materials to our materials recovery facility (MRF) for processing.

The County of Orange Household Hazardous Waste Collection Center located on the property will also remain open. For more visit [oclandfills.com](http://oclandfills.com)

Find your nearest recycling center [Earth911.com](http://Earth911.com)

We'll handle it from here.™
